Parks and Rec Meeting, Sunday, January 15, 2017, 3P.M. at Town Hall. 2016 activities and 2017 activity planning is scheduled. If you are unable to attend feel free to email barnunnparksandrec@yahoo.com to submit comments.

Congratulations Matt Epp for your reappointment as Chairman of Bar Nunn Zoning and Planning Committee.

There is currently a vacancy on Zoning and Planning. Anyone interested in volunteering may contact Chairman Epp matthew.epp@outlook.com.

The Town Maintenance Department appreciates the cooperation and patience exhibited by most town residents during the recent snowfall situations.

Due to excessive snow amounts the sanitation trucks may be a little later getting to your garbage pickup, in rare instances having to postpone until the next day. If you believe you have been missed (all polycarts on your street emptied), please call Shirks and leave a message. (472-4240). Thank you.

Reminder: Six-inch and eight-inch chimney brushes are available at Town Hall. A \$25 damage deposit is required which is returned when you return brushes to Town Hall.

NEW RESIDENTS – Welcome to Bar Nunn.
