February 10, 2017

Dear Residents,

Snow routes are in effect through March 31st, 2017. When roads are icy, please use caution especially around crosswalks, bus stops and the school.

The wind continues to blow, trash cans continue to be blown around. Residents, you are responsible for retrieving your trash container if it blows down the street or across the street, or even down to the next street! If you end up with an extra one, be a good neighbor and return it. If you don't know who it belongs to, call Shirks Sanitation 472-4240, they may have received a call about one missing.

If you have lost your keys check at Town Hall. They may have been turned in.
