

BAR NUNN NEWSLETTER
www.townofbarnunn.com
March 10, 2017

Dear Residents,

Snow routes are in effect through March 31st, 2017.

No response has been received from Parks and Rec about upcoming Spring/summer events. Current contact information for Stacie Ross, Chairperson is barnunnparksandrec@yahoo.com or phone # 307-262-6861.

DAYLIGHT SAVING TIME begins Sunday, March 12, 2017. Set clocks ahead one hour.

Interested parties wishing to volunteer for Bar Nunn Volunteer Fire Department may pick up an application at Town Hall. Interested parties wishing to volunteer to participate on Zoning and Planning or Parks and Recreation committees are encouraged to submit a letter of interest to Town of Bar Nunn, 4820 N. Wardwell Industrial Ave., Bar Nunn, WY 82601, Attn: Zoning and Planning, or Attn: Parks and Recreation, as applicable.

The total eclipse of the sun, August 21, 2017 will be here before you know it. It is not an event that can be postponed due to inclement weather or lack of interest. Interest has been generated, literally around the world, for this upcoming phenomenon.

Casper Area Convention and Visitors Bureau is a great source for information about this event (307) 234-5362, or read about "The Biggest Show in The Sky" at eclipsecasper.com for information (inspiration)!

Now is the time for implementing any ideas among businesses and residents to accommodate the influx of people during this time frame surrounding the eclipse. For interest in assisting with organizing transportation contact WYDOT. Water stations, restroom facilities and viewing areas around Bar Nunn for people who are going to select the open area in and around the Town for viewing the eclipse were examples of needs as mentioned by CACVB, to be addressed by local residents/businesses.

An estimated 35,000 additional people from around the globe are anticipated to be spending time in and around our area in the days/weeks before (and some after) the eclipse, as reported by CACVB personnel.

NEW RESIDENTS -- Welcome to Bar Nunn.
