There were 4 scheduled training meetings during the month of April. Currently we only have one firefighter on probation at this time. And our current staffing is 21 line personnel, and 3 reserve positions filled. We currently have 4 open slots for line personnel with one new applicant in review process for a position with our department.

The 3 person committee set up last year is currently working on our SOPs and SOGs to get these updated to reflect our new Bi-Laws approved earlier this year. These will be submitted to the town attorney and town council for review once each is completed. Also this month we sent 4 personnel to Buffalo Fire school Ben Curtis for pumps class, Brenden Bustos, and Jared Gray to S-130, S-190, and Andrew Mackenzie to Crew Boss. Department members also participated in Arbor Day, and also several were in attendance for Captain Matt Trotts funeral.
